## Next Week at OSHC: Dance Through the Decades

This week, the service transformed into a time-travelling celebration! Each day brought a new decade to life, filled with vibrant activities, themed creations, and joyful expression as children explored culture, fashion, music, and technology through the years.

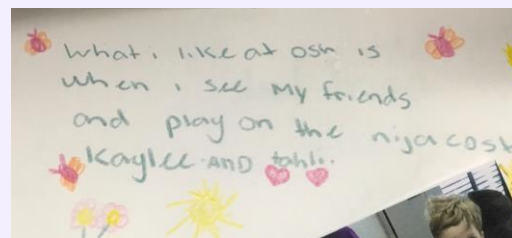

- **Monday – 1970s:** We kicked things off with peace signs, psychedelic tie-dye crafts, and groovy disco moves that had everyone spinning back in time.
- **Tuesday – 1980s:** Bright neon colours lit up the room as children tackled arcade-style challenges and rocked out in air guitar showdowns.
- **Wednesday – 1990s:** A nostalgic blast with Pokémon trivia, karaoke favourites, and friendship bracelets that sparked creativity and connection.
- **Thursday – 2000s:** Children explored the early tech era with flip phone crafting, iPod art, and pop-inspired dance battles.

## A Message from our regional manager

Dear Families,

Did you know that Out of School Hours Care is a service that you can claim Child Care Subsidy (CCS) for? CCS is a government payment that helps reduce the cost of approved childcare. It is paid directly to the service, and families pay the remaining gap fee so that the service is more affordable for families. Your CCS percentage is based on your estimated family income and activity hours, with a maximum of 90% subsidy. If your household income is under \$535,279 you would be eligible for some CCS.

Most families will be eligible to receive up to 100 subsidised hours of out of school hours care (including Holiday HQ) per fortnight, which usually covers term time care. During school holidays, longer sessions of Holiday HQ may exceed this limit slightly.

Centrelink withholds 5% of the CCS to help avoid overpayments so that you don't owe money at the end of the financial year if you were to make a mistake estimating your income. You can adjust this amount through MyGov. At the end of the financial year, your CCS will be balanced against your actual income.

From a practical standpoint this means that an out of school hours care session could cost you only a few dollars per day, significantly less than most after school programs or camps. Those couple of dollars cover our amazing, caring, qualified staff, meals, extra-curricular experiences, and a supportive enriching environment. Pretty good for a couple bucks in our opinion.

Kind regards,

Nicole Betts
